SUMMARY

Dedicated and results-driven Software Tester with one year of hands-on experience in ensuring the quality and functionality of software products. Proficient in creating comprehensive test plans, executing various testing methodologies, and identifying and documenting defects. I look forward to applying my expertise to contribute effectively to a dynamic software testing environment.

EXPERIENCE

QA Software Tester

AZULMAN

📅 2022 - Present 📍 Nagpur, India

Conducted thorough testing of software products, including functionality, performance, and usability. Collaborated with the development team to identify and resolve software defects.

- Performed end-to-end testing: requirements review, test planning, scenario creation, defect reporting, and issue tracking.
- Standardized Test Plan, Test Scripts/Test Cases, Daily Status Reports, etc., documents leading to a 20% increase in productivity.
- Engaged in design collaboration and delivered comprehensive test reports.
- Proficient in designing, developing, and executing Selenium test scripts for web application testing, ensuring comprehensive coverage of functionality. Utilized JMeter to conduct performance testing, simulating real-world user scenarios and identifying bottlenecks to enhance application responsiveness.
- utilized TestNG to facilitate the parallel execution, grouping, and parameterization of test cases, resulting in effective test orchestration.
- Designed, developed, and maintained Python Flask APIs, facilitating seamless data communication and enhancing user experience.
- Utilised Boto 3 to communicate with AWS services, improving application integration and administration of cloud resources.
- Successfully integrated AWS DynamoDB into projects, ensuring efficient data storage, retrieval, and scalability.

SKILLS

Software Testing	Test Planning	Bug Tracking	Cross-Platform Testing	User Experience (UX) Testing	
Selenium webdriver	Performance Testing	Usability Testing	Bug Reporting	Python	Java
MySQL	TestNG	Flask APIs	AWS dynamodb	Boto3	php
Regression Testing		VS code	Microsoft Excel		

EDUCATION

Bachelor of science

Dr. Ambedkar College, Deekshabhoomi Nagpur

📅 2014 - 2017
